Superintendent's Message

May your coming years be filled with happiness and success. Guard well your heritage for freedom and a good education. In times as trying as these, it is important that you be ever on your guard to defend and maintain our precious freedom and form of government. Many of the young people in the world today do not enjoy your same rights and privileges.

It is a rewarding experience to work with such a fine student body and faculty such as we have here at Jackson. I believe we have an excellent school and one of which you may well be proud.

To the graduating Seniors all my best wishes for a bright and successful future. May the things you have been taught here continue to help you in all your endeavors in the future.

Principal's Message

Senior Class of 1961:

As you walk out the doors of Jackson-Wilson High School for the last time as scholars, you will all have different goals to be worked for and obtained in the following years. Some of you will go on to college, while others will turn to other walks of life. No matter what your plans may be, your high school years will be a great influence in whatever you attempt to achieve.

May I take this opportunity of wishing you success whether you are continuing your education or taking your place in adult society.

RONALD DAVID WOODWARD

Prophecy

Before coming to Jackson, I was an inhabitant of a highly advanced culture located in a sector of a neighboring solar system about 2,675,000 light years away. Being a member of this intellectually superior race, I am endowed with certain mental powers--among which are telepathy and precognition (or the ability to tell the future). While browsing along the mental highways of the future, I chanced upon some startling facts with regard to the Senior Class.

The first thing that manifested itself in my mind's eye was a picture of JOE ALLEN seated behind a massive stack of books carrying on the work of the late Albert Einstein. Seated at Joe's feet, with a shoe shine rag grasped possessively in his fist, we find CLYDE KENNETH McGARY III. Mr. McGary III is giving voice to the hit tune of the year. A song entitled "Masons's Third Movement" written by the outstanding composer and symphony conductor, CLYDE "MOVING" MASON. Scanning the spectrum, we find BETTY BARROWS working as the quality control operator in charge of a fine Havana cigar manufacturing plant. Betty's idol, and boss, is a girl who has worked her way to a financially respectable position. None other than ROSE MOULTON. I then find myself peeking in at Madison Square Garden where we find the Women's Heavyweight Championship wrestling match in progress. The champion, NASTY NANCY TANNER, is putting up a brilliant defense show which is marred by a few underhanded tactics on the part of LEAPING LaVON WALTERS. Passing on, we find KIRBY WILLIAMS converting The Highlands into a used auto lot. His head body man is the mechanical genius, FRANK DAVIS. Our next scene shows PATSY FISCHER and VICKY ROSBROOK BURTON hard at work walking (?) in the vats of an Italian vineyard. We next find ARNOLD FERRIN meditating over the current problems expressed in the revised edition of "Grimm's Fairy Tales" by RUSSELL "MOE" MOSES. Surging onward, we find ELLA ROBERTSON as the wife, chief cook, and bottle washer, in the world renown Pizza Palace of SLICK MICK EYNON. Of course, as we all expected, MARILYNN RIGGAN is the west coast Volkswagen dealer. PETE (THE STICK) KOEDT is the newest member of the world renown Harlem Globe Trotters, with PETE NEWELL close at hand with a jug (of water) and towel. Next I see DAVE MANGUM peering from behind his shock of hair as he conducts the Boston Symphony Orchestra. PAUL AMERIN and RITA SIMONS have joined ranks in order to raise fine Angora Goats. RON WOODWARD and HAPPY CHAMBERS are currently staying in Tibet searching for the legendary adbominable snowman. Next in sight comes KATHY GILLETTE who has achieved world fame for the manufacture of her fine personalized baby spoons. MIKE NETHERCOTT is employed year-round cutting Christmas tinsel with some assistance from DOROTHY IMESON. In the north woods of Tennessee, we find JUDY ROSBROOK beside her still, putting up a determined fight against the revenuers. Both WARREN RANSOM and TERRY ROICE were unregretably killed in a gun duel in Chicago for the affections of one DORIS VAN VLEET. Finally, we find LARRY FEUZ, who revived the art of goldfish swallowing, as he downs his seventh fish. Last, but not least, we see GARY PAYNE as the first Christian missionary to Venus..

Freshman Initiation

Hats off to the members of the Elks Lodge of Jackson for the very enjoyable teenage dances they sponsored for the students of the Jackson-Wilson High School this year.

Is this a boring assembly or didn't anyone get sleep last night?

No! It is a hypnotist at work during one of our national assemblies.

Stone,

To an ex-French student. Hope you get a good freshman next year and make him work hard. Best of luck in the future.
